Acknowledgment of Addendum

Addendum 1 for Request for Information Technology Services for Lake Forest Library

This Request for Information Technology Services Addendum 1 is issued by Lake Forest Library through the Library's website.

Managed Service Providers (MSP's) shall acknowledge receipt of this addendum by signing and submitting this addendum acknowledgement form. Failure to acknowledge receipt of the addendum may be cause for rejection of the RFP submission.

When submitting all Proposals, this Addendum Acknowledgment Form must be included in the Proposal submittal. The page will not be considered part of the 15 single-spaced page limit for Submissions (see Item 1 below).

This Addendum No. 1 consists of one (1) page and has the following information to be incorporated into the Proposal submittal.

1. The page limit for the Proposal is set at 15 single spaced pages.
2. All of the PC's currently listed as Windows 7 have actually been upgraded to Windows 10 (see page 5).
3. Sirsi Dynix is no longer the remote connected Library Information System. This was replaced by Polaris through the CCS Consortium as of April 2018 and is a misprint in the current proposal (see page 6).

The full RFP is at: <https://www.lakeforestlibrary.org/requests>. I hereby acknowledge receipt of this Addendum 1 to the above-referenced Request for Proposals.
