

How to check out a Museum Adventure Pass

Start your adventure by visiting museumadventure.org at the library's public computers or on your home computer. The website provides details about each museum, with important information for planning a successful visit.

1 Check out a Museum Adventure Pass using your library card at your home library.

Libraries have a limited number of passes for each participating organization. Passes are available on a first-come, first-served basis. Passes cannot be reserved or checked out online or on the phone. We look forward to your library visit!

2 One Museum Adventure Pass may be checked out per family, per loan period.

The loan period is SEVEN DAYS. Admission offers vary per museum. If no admission is charged, another special discount may be available. Details can be found at museumadventure.org.

3 Passes are typically limited to general admission.

Each organization's listing at museumadventure.org gives specific dates when passes cannot be used, and other restrictions that may apply.

Your museum adventure is supported by the participating organizations that are generously donating your free admissions or discounts, and by your local library. Find out if your library is participating at museumadventure.org
